**Integrated Process Developers, Inc. celebrates its 11th anniversary this month and we would like to have you join the party!**

It's Your Business - a newsletter from Integrated Process Developers, Inc.

August, 2008

**Integrated Process Developers, Inc. (IPDI) opened its doors on August 1, 1997 with the mission to improve its clients' corporate profits and the quality of life of their employees by assisting companies in developing integrated processes and utilizing project management to define, develop and launch projects on budget, on time and at the quality requirements.**

To celebrate our 11 years of service, IPDI is offering its onsite courses at an 11% discount for any **new** clients who contract one or more of our onsite training courses or consulting services this month. See our extensive course and services offerings below.

See for yourself what others already know, IPDI can help you and your company in this difficult economy.

### Project Management Humor

#### Motivation and Morale

Once upon a time, an American company and a Japanese company decided to have a competitive boat race on the River Thames. The Japanese won by a mile.
